

FRENCH + SPANISH SUMMER PROGRAM 2012

KLI is offering its annual French and Spanish Summer Programs for students aged 7-18 during July and August. **This year, our French Program is specifically designed for students entering Grade 7 Late Immersion, to help them prepare for the upcoming school year.**

Divided into two sections, the mornings are spent in a structured classroom environment (15 hours/week), where students will learn the essentials in grammar, reading, writing, and especially speaking and listening. The afternoon will be spent doing a variety of different activities such as swimming, scavenger hunts, visiting different museums, etc where students will be able to use and improve their language skills.

On their first day, students will be placed into different levels based on age and ability. Though students are separated for class, they will participate in activities as one group, so that all students will be able to learn from one another.

At KLI we know that learning a language can be fun! KLI's Summer Youth Program combines a language course with fun activities so students will improve their language skills and enjoy their summer at the same time!
